It is acknowledged by the shipper and requesting party that these goods are being shipped by a responsible common carrier as coordinated by Film Logic Customs Brokers Inc. The shipper and requesting party agree that Film Logic Customs Brokers Inc. will not be held responsible in any way for damage or loss of goods, or delays in pickup, transit, or delivery. The shipper must complete a truck carrier bill of lading and have the carrier return to the shipper a signed, clean (no visible damage) copy of the bill of lading. The bill of lading represents a receipt for the goods. Failure to obtain a signed bill of lading may render void any claims against the carrier for loss or damage of goods.
